### Year 2

Year 2 have had a very busy term... In Maths, we have been revising fractions, partitioning numbers and shape as well as working on our arithmetic skills. In

English, we have been writing reports about the butterflies we hatched in class and which we released on the field last Friday... very exciting, especially as one of the butterflies escaped early in Miss Crawford's classroom! In Science, we have been learning about plants and planted our own sunflower seeds and we used this as our inspiration in Art to draw some beautiful sunflower pictures. We all enjoyed the Art Textile Day on Thursday 21st June, when we learned how to print our own fish design onto cloth. In P.E. we trained hard for Sports Day, which we all really enjoyed competing in for our houses.

### Year 4

In year 4 this week we have been finalising our topic of discursive writing in English by arguing against our school having a school uniform. The children have enjoyed debating different ideas in this topic.

The children have been excited about The World Cup therefore we have been doing some research during reading comprehension to find out about different teams from around the world.

The year 4 showed good core values on their transition days to year 5 and have enjoyed being in their new classes.

## Clubs

### DRET Summer Cup

On the Tuesday 3rd July 2018 Cedar Road took part in the DRET Summer Cup at Grantham Meres. Taking part in Sports Hall Athletics, Hockey and Swimming, Cedar Road set out for another win this year. In the closest competition for years the Athletics team came 2<sup>nd</sup> overall. This year the swimming team progressed earning more places in the finals and finishing highly in them. The Hockey team after a very closely fought semi-final which went to golden goal narrowly lost, but ended up putting in a great performance in the 3rd place play off to secure the bronze medal in a local derby match. Overall Cedar Road came 2<sup>nd</sup> on the day, which amongst the fierce competition and success in previous years is amazing. We are proud of everyone who took part and they truly gave it their all in representing our school and our values. They sure did like the well-earned ice creams when they returned back to school the following day.

## Friends of Cedar Road

Don't forget it's the Summer Fete on Saturday from 1-3pm. We look forward to seeing you there for all the fun and thank you for all your kind donations and support!
