Reception

This week the children in Early Years have continued their work on minibeasts and have been handling snails, building junk model minibeasts, creating symmetrical butterflies and retelling the story of The Very Hungry Caterpillar.

They also had a wonderful time pretending to visit the seaside for a picnic and paddle in the sea.

The children's biggest achievement this week was completing the assault course to raise money for the villagers in Penyem, in The Gambia. Money raised will go towards new flooring in their school. They were so determined to make a difference and help change a life. The children are now so excited to see how much money they have raised.

Well done children, we are so very proud of you!

Year 6

Year 6 breathed a deep sigh of relief as they completed their SATS before half term and are now in the full throws of rehearsing their leavers' play. The Royal & Dergate came for a day to support us with this, helping with acting, dancing and the technical side.

They have also been busy representing their school in a debate team alongside year 5, and entering various sporting competitions. This included a competition which they also won! Some of our swimmers tried out for the Summer Cup team yesterday, using the pool at NSB. Many of the year 6 children also honed their cycling skills by attending the Bikeability courses that we hold here every year. These are vital so that the children can be safe on the roads.

It will be a busy half term and we are looking forward to it!
