### Whole school message

Well done to all the children in Reception who have raised over £500 to improve a school in Penyem in Gambia. The money will help to change the lives of so many children.

Thank you to everybody who supported this year's Sports Days. I'm sure you will agree the children had a fantastic time and did an amazing job at representing the school.

Congratulations to Year 6 on their brilliant performance on Thursday evening. We also want to say how great you all look in your leaver's hoodies (even if it does make me break into a sweat just looking at you).

## Curriculum news EY/KS1

### Year 1

Year 1 have been very busy learning about the Continents of the World and the various animals from each one. We have studied the lifecycle of a butterfly which inspired our work for Art Day.

Maths recently has been about money, identifying coins and finding the total amounts of various 'purses'.

We have learnt several poems in English and have had fun creating our own. Everyone had a fantastic time meeting and 'running' with the Olympic gold medallist, Mark Lewis-Francis, and the day gave us plenty to write about. We loved Olympics Day trying out lots of sports and meeting lots of special guests including Flo's mum, Jaime.

## Curriculum news KS2

### Year 3

This has been a tough week in Year 3, with soaring temperatures inside and outside the classroom, but we have still worked hard to do our best. We have made our teachers very proud during our tests, and best of all we had our sports day! We all took part in 7 events and sat on the finish line to cheer on the final race. It was very close but congratulations to the Year 3 Becket team who won overall. Miss McLoughlin would like a special mention to her team Abington for being runners up this year! A huge thank you to all our adults for coming to watch and cheer us on.
